### Flossville Town Park Tasks and Subtasks **Answer Key**

#### **Bring Your Own Food!**

Everyone loves the idea of picnicking on the park's grounds. Using both picnic table shapes, arrange five picnic tables on the other side of the row of bushes so that the arrangement on one side is the reflection of the other.

#### **Place five picnic tables.**

Details:

The arrangement of the tables you place must be the reflection of the arrangement of the tables on the other side of the row of bushes.

The row of bushes is the line of reflection.

**Accepted Answer:** The arrangement should be the reflection image of the tables already placed on the first side with respect to the diagonal row of bushes as the line of reflection.
